SACOPA S.A.U. CERTIFICATION

Sacopa S.A.U. certifies that the compact dosage tanks with code 16632 are manufactured following strict internal quality controls. Sacopa S.A.U. is certified according to international quality standards ISO 9001 and environmental standards ISO 14001 by LRQA.

The tanks are manufactured with unsaturated polyester resin and fiberglass.

The maximum admissible pressure of these tanks is 2,5 Kg/cm² . All filters pass a final test at the end of the process. All the materials and components used in the tank are completely verified and an exhaustive sealing and resistance test is done:
Each tank is tested 10 minutes at impulse pressure 0-5 Kg/cm².
