DETAILED DESCRIPTION

Underwater projector, improves energy efficiency compared to the traditional halogen projectors. It must always be installed completely submerged in water. The projector has a warranty of 2 years and must be connected to a safety transformer, not included, ensuring that 12Vac arrives.
The White model does not include remote control.

The RGB model is controlled by a remote control included and allows creating the following scenarios:
1. Fade 1 / 2. Fade 2 / 3. Smooth / 4. Flash / 5. Red / 6. Purple / 7. Green / 8. Cyan / 9. Blue / 10. White / 11. Orange / 12. Off.

The projector does not need a niche for its installation

ACCESSORIES INCLUDED IN THE PACK

- Remote control (only 71744 model)
- Cable 2.5 m H07RN-F 2x1.5 mm^2.
- Installation and maintenance manual
